

POTENTIAL CEREMONY AREAS

PEONY AND DAYLILY GARDEN, PEACE GARDEN AND WILLEMSSEN PERGOLA GARDEN

- ❖ Our peonies are generally in bloom from the middle of May through June, weather dependent. Daylilies are at their peak in July but will bloom from late June through early August. The Peace Garden and fountain provide a lovely backdrop for our most popular ceremony site – the Willemsen Pergola. The entire area is well suited to chairs and/or benches for your guests.

GAZEBO GARDEN

- ❖ An intimate covered area surrounded by vegetation and a crushed stone patio. It includes permanent tables/benches with plenty of room for chairs.

INDEPENDENCE GARDEN

- ❖ This red, white and blue themed garden honoring our armed services will not only provide an intimate ceremony site, but will also serve as a great space for after ceremony drinks and music. It includes beautiful stone benches for your guests with plenty of space for additional chairs, park benches and/or tables.

THE GREENS

- ❖ With plenty of open space to gather. The site would be perfect for a small reception.
